

Greetings from the Eco Home Family!

Dear Family and Friends,

Good news! Our Eco Home family, has been growing slowly and we are proud to announce, we now have 25 kids, living permanently with us! We would like to welcome our newest member, 7 year old **Sajan Timalsina** from Lele, Lalitpur District, who is now attending Divine Light English Medium School in Lower Kindergarten with the rest of our kids. This year, with the generous support of Sponsors like you, we were able to pay for the annual tuition fee of the kids, as well as buy stationary, books, copies and uniforms, which are all up to date. However, we are in need of good story books, educational materials like , learning DVDs, interactive software, charts and also some new indoor games for our kids. We take this opportunity to extend our deepest gratitude to all of you, for your generous support and for giving so much to our kids. All of the children, are doing excellently. We constantly get requests from locals, to take in new orphans, we are an ever growing family, and so we hope for your continued support and love. Thank you for keeping our dream project alive and bringing so much happiness in the lives of our children. Namaste and god bless! - Team Mission Himalaya

Sajan Timalsina

Academic Update

Some of our children, have not previously received any kind of formal education, therefore, some came into our Eco home, without the ability to even recognize alphabets or phonetics. But our tutor Krishna, who is also the Hostel in charge, has been relentlessly helping these kids improve and the results have been great so far, our kids have started to interact more with visitors, using proper English and are performing much better in school as well. Some have struggled to learn, while some students have excelled academically and are at the top of their class.

We want to mention our Honor students and that we are really proud of them!

- ◆ Barsha Basnet: Grade 8 , Distinction Top of her class
- ◆ Sajan Timalsina: L.K.G , Top of his Class
- ◆ Sudip Kc :Grade 1 , Top of his Class
- ◆ Samjhana Lopchan : U.K.G, Top of her Class

25	Sushma Tamang	1	90.63	A+

Mission Himalaya, in collaboration with [Dooley Air-Intermed Foundation](#), have been organizing Voluntary programs at the Eco Home. So far we have been able to organize 5 successful programs. The delightful ladies from Dooley Air-Intermed, have introduced many informative and educational activities for our kids at the Eco home. Our kids, have been receiving practical knowledge on healthcare, personal hygiene, the volunteers also train them on cleanliness and practicing good hygiene. They have introduced a special **“Human-Trafficking Awareness Class”**, where they visit the local schools, and have interactive classes on how to prevent Human trafficking. Besides, this our kids, are learning new fun games and art skills, thanks to the wonderful volunteers of Dooley Air Intermed. Our special thanks to [Dr. Kate Jewell](#), president of the organization, for making the voluntary program so successful.

Thelma & Debbi from Dooley Air Intermed program giving class on Human Trafficking and health care

Day out trips with the kids, at Fun Park in Kathmandu with our Coordinator Karishma

Dr. Trishna, visits the kids and gives them a general check up and some counselling as well
